## Vendor introduction

PRISE develops software tools to optimize Teradata performance and cost of ownership. PRISE Compress Wizard, PRISE StatMan and PRISE Tuning Assistant complement the Teradata product package and deliver quick savings of high value by automating end-to-end processes.

## Recipient

InterContinental Hotels Group is one of the world's leading hotel companies. Present in nearly 100 countries, has 168 million guests staying in 727,000 rooms in over 4,900 hotels per year.

## Content of service

InterContinental Hotels Group uses PRISE Tuning Assistant software to analyze and solve Teradata performance related issues in its Teradata Data Warehouse system.

## Impressions

Based on experience I highly recommend PRISE Ltd and the Tuning Assistant (PTA) as a professional information services partner company and software solution. PRISE Tuning Assistant delivered real business value to InterContinental Hotels Group.
